

Rad am Ring 2025 – Exhibitor information

Arrival

There are numerous signposts in the immediate vicinity leading to the event site (Nürburgring). The entrance to the Expo site is via the address below (roundabout at the Kongress Hotel Lindner). At the gate there you will be met by a member of the organization team who will give you information about the entrance. You will also receive your entry ticket (see picture below) and exhibitor passes.

On the exhibition grounds, our Expo manager, Ralph Orts, will show you to your stand area and give you the entry ticket for car park A10 (see exhibitor parking spaces) and the exhibitor passes.

Nürburgring
Stefan-Bellof-Straße 1
53520 Nürburg
Germany

Set-up and dismantling of the expo

The trade fair set-up will take place on Friday, 18th of July 2025 between 09:00 a.m. and 15:30 p.m. For larger trucks from 7.5t, arrival on Thursday, 17th of July 2025 is desirable. Please contact the organisation for this.

We would ask that the dismantling of the stands on Sunday, 22nd of July 2025 does not begin until after the end of the festival at 15:00 p.m.

Opening ours of the expo

Friday, 18 th of July 2025	16:00 p.m. – 22:00 p.m.
Saturday, 19 th of July 2025	08:30 a.m. – 20:00 p.m.
Sunday, 20 th of July 2025	08:30 a.m. – 14:30 p.m.

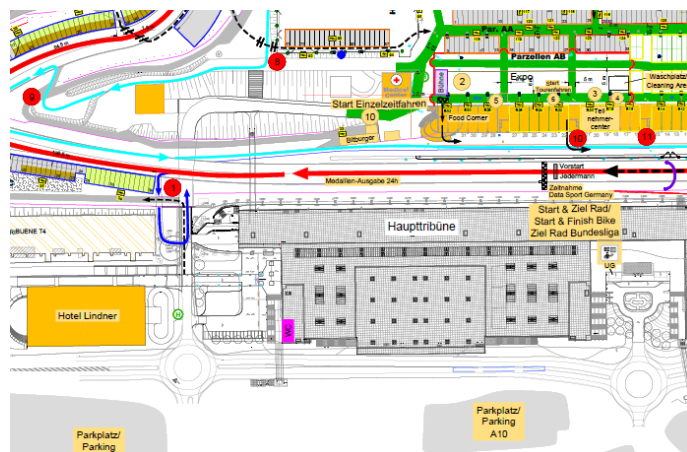

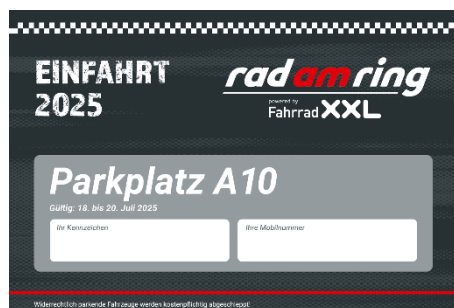

Compliance with the space requirements

In view of your official registration (number of square meters booked) and in the interests of fair cooperation between exhibitors, we ask you to set up your stand exclusively in the area allocated to you.

Exhibitor parking

Parking spaces for exhibitors are located in the immediate vicinity of the event site in the A10 parking lot. We would also ask you not to park in the immediate vicinity of the Expo. Camping is permitted in the exhibitor parking lots. You will find sanitary facilities in the paddock or in the pit lane.

Water & electricity connections

Electricity distribution boxes are located at regular intervals on the exhibition grounds. All exhibitors who require access to electricity and have ordered this in advance must ensure that they bring their own extension cables or a cable drum to cover a length of approx. 25m. The connection may only be made in the presence of a person responsible for the fair. Exhibitors must bring appropriate hoses (1 inch) with a length of approx. 25m for the water connection.

Supply delivery

Exhibitors have two hours before the start of the fair to restock their stands individually (give-aways, information material, etc.). The transit passes for exhibitors authorize you to pass through the passage controls.

Waste disposal

Your waste will be disposed of after the Expo on Sunday. Please note that you can also dispose of your waste in the permanently installed bins at the Nürburgring.

Security

The entire site is supervised by a security company at night. This is not an individual stand security service.

The organizer accepts no liability for stolen items. The security service is instructed not to allow anyone onto the site. We therefore ask you to take your personal valuables (mobile phones, keys, hotel keys etc.) with you when you leave the site at the end of the day and to secure your stands accordingly.

It is possible to order individual stand security. You can contact the organizer for this.

Accommodation

On our website you will find various hotels in the surrounding area.

Phillips Bike Team - Party

On Saturday evening (from 7 p.m.), we cordially invite you to a get-together. In Box 27 of Philipps Bike Team we will provide barbecue and drinks and would like to enjoy the event together with you in a cozy atmosphere. Our Expo contact Ralf Orts will hand you the party admission ribbons on site.

Contact us

From Thursday, 17th of July 2025 you can reach our Expocontact Ralf Orts by phone on site at +49 7042 28922-27

We look forward to seeing you!

With best regards

Thomas Schork
